

## Features & Benefits

The HiRoad logo features a stylized white arrow pointing right, with a yellow and black graphic element resembling a road or a bridge structure, followed by the word "HiRoad" in a bold, white, sans-serif font.

## Protect Your Vehicle Investment

### Nationwide Protection

HiRoad coverage is effective wherever you drive. Even if you are away from your home area, arrangements can be made to have your vehicle repaired by any authorized facility in the U.S. or Canada.

### Toll Free Assistance

Help is just a free phone call away. Trained personnel are standing by to solve any problem quickly and get you on your way.

### Transferable Protection

If you sell your vehicle, your HiRoad plan is transferable for a modest fee. This increases the resale value of your vehicle to a potential buyer.

### Affordable & Convenient

HiRoad Protection costs less per year than a single relatively inexpensive failure. In addition, this economical protection can be included in your monthly car payment and may be the protection you need most.

The logo for Interstate's 25th anniversary features a red outline of the state of Florida above the text "INTERSTATE" in a tall, thin, white font, and "25<sup>th</sup> YEAR" in a bold, red font below it.

## HiRoadpt

### Powertrain Coverage

#### Engine

All internally lubricated parts. Crankshaft and bearings, oil pump, fuel pump, internal timing gears or chain, camshaft, camshaft bearings, valve lifters, rocker arm assemblies and push rods, valve guides, pistons and rings, wrist pins, connecting rods, distributor drive gear. The engine block and cylinder heads are covered if damage is caused by mechanical failure of an internally lubricated part. **Engine (Rotary):** All of the above listed parts plus rotors, rotor seals, rotor chamber, eccentric shaft and bearings.

#### Transmission

The internal parts of the manual transmission or automatic transmission and torque converter. The automatic or manual transmission case is covered if damaged by the failure of an internally lubricated part.

#### Drive Axle Assembly (Front or Rear)

Drive axle housing including pinion bearings, side carrier bearings, ring and pinion gears, carrier assembly, thrust washers, axles, axle bearings, constant velocity joints, internal transaxle seal, and drive axle housing, if damaged by the failure of an internally lubricated part.

#### Transaxle Assembly

Ring and pinion gears, drive chain and gears, carrier bearings, and bushing. Transaxle housing and internal seals are covered, if damaged by the failure of an internally lubricated part.

#### Four Wheel Drive Parts

All powertrain coverage above, plus: internal parts including bearings, bushings, sprockets, chains, sleeves, and gears (excluding electrical items). The transfer case is also covered if damage is caused by a Failure of an internally lubricated part.

#### Seals and Gaskets

Seals and gaskets are covered when replaced in conjunction with a covered repair or if the "Seals and Gaskets Coverage" option has been selected.

## HiRoadpt+

### All HiRoad PT Coverage plus:

#### Power Steering

Steering gear box, pump housing, rack and pinion, control valves, bearings and shafts.

#### Basic Electrical

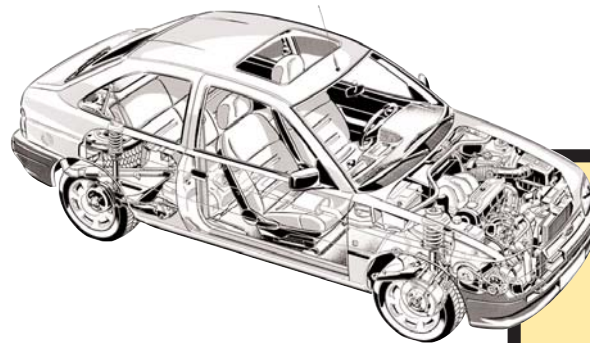

Alternator/generator, starter motor, front and rear wiper motor.

#### Towing

Your HiRoadPT+ coverage will reimburse You up to \$50 per occurrence, for expenses in towing the vehicle, provided that the cause of the breakdown was a covered Failure of a covered component based on the coverage plan selected. This reimbursement will be in addition to any other reimbursement from an insurance company or auto club.

#### Rental Car/Substitute Transportation

Your HiRoadPT+ coverage may limit the expense of a rental vehicle when your vehicle is disabled for covered repairs (except where prohibited by law).

## HiRoadtech

### All HiRoad PT+ Coverage plus:

#### Air Conditioning

Compressor, condenser, evaporator, expansion valve, and receiver drier.

#### Hi-Tech Electrical

Voltage regulator, distributor, solenoids, manually operated switches, electronic level control compressor including its sensor and limiter valve, electronic fuel injection sensors and injectors, electronic ignition module, power window motors, rear window motors, rear window heating elements, power mirror motors and controls, power seat motors, and power door locks.

## HiRoadtech+

### All HiRoad Tech Coverage plus:

#### Brakes

Master cylinder, power brake cylinder, vacuum assist booster, hydro boost, disc brake caliper, wheel cylinders, compensating valve, brake hydraulic lines and fittings, and hydraulic control unit. The following ABS components are covered: Electronic control processor, wheel speed sensors, hydraulic pump/motor assembly, pressure modulator valve, isolation dump valve, and accumulator.

#### Front/Rear Suspension

Upper and lower control arms, control arm shafts and bearings or bushings, upper and lower ball joints, radius arm and bushings, torsion bars and mounts or bushings, stabilizer bars, links and bushings, struts, strut bearing plates, spindle and spindle support, wheel bearings, variable dampening suspension, compressor, control module, actuator, solenoid, height sensor, and mode selector switch.

#### Cooling

Engine cooling fan and motor, fan clutch, serpentine belt tensioner, radiator, heater core, water pump, thermostat, blower motor and hot water valve.

#### Seals and Gaskets

This coverage option is included on Vehicles with less than 100,000 miles at Vehicle Purchase/Effective date.

## HiRoadcomplete

### Comprehensive Coverage

All HiRoad Tech+ Coverage as listed above, plus:

Your Contract will cover necessary repairs to any Failure of the factory-installed parts of the Covered Vehicle, except for those items specifically listed under "Exclusions".
